Experience

Educator
6 years of teaching

Author
9 original programs

Develop
4 years in tech

AI
Next-Gen Hands-On

Digital creator, educator & developer

I'm Svyatoslav Istomov — a tech-savvy designer and developer with 6 years of teaching experience and 4 years in IT.

I've built 9 hands-on courses on web, design, game dev, and AI. I create smart, user-focused interfaces and digital products using Figma, Adobe Suite, Blender, Unity, and Python.

Also, I run Dramatic Films — a studio for impactful video & photo production.
